Literacy Builds Communities

LITERACY is at the heart of education for all, and essential for eradicating poverty, reducing child mortality, curbing population growth, achieving gender equality and ensuring sustainable development, peace and democracy.

Today **Carol Kennedy** will enlighten us with facts on literacy and how Rotary is making a difference.

She will also share from her favorite books—*Koko's Kitten* by Dr. Francine "Penny" Patterson and *Fables* by author and illustrator Arnold Lobel.

Carol taught in the MUSD for 32 years. She received her Masters in Reading and a Reading Specialist Credential in 2003. Carol taught Reading Methods at CSUF from 2003 to 2007.

Sandy and Glenn demonstrate the art of TEAMWORK during the Madera Rotary Club Canoe Adventure along the San Joaquin River. Participants said it was "FUN, Relaxing, New, Exciting, Cool, Educational, Skill building, and, for a couple of people—a little on the wet side!"
